

CA Contract Announcement

Computer Associates Inc. (CA-ELA)

The Army has entered into an Army-wide Enterprise License Agreement (ELA) with CA for products listed on the chart below. This ELA applies to the Army Active, Reserve, National Guard, Army Civilians, and Contractors in direct support of Army programs, and Army Assets within programs where the Army is the Executive Agent. The ELA with CA offers a perpetual right to use, an ability to download unlimited copies of the CA suite contained below, and versioning upgrades. The agreement also includes software maintenance on all existing Army licenses, and Support (24x7 helpdesk).
