SECTION A - SUPPLEMENTAL INFORMATION

1. The purpose of modification P00012 to Contract W91QUZ-09-A-0001 is as follows:

a. Army Contracting Command-Rock Island, accepts all contract administration requirements for this contract as of the effective date of the contract in Block 3. The contract administration for the individual orders remain at the individual order assignee.

b. Paragraph G entitled FEE FOR SERVICE is updated to reflect the following language:

Acquisition, Contracting, and Technical (ACT) Fee. The cost of awarding, administering and managing this BPA is included in the prices charged to ordering activities.

The ACT fee is 2% and is included for all software products, the initial maintenance coverage period, software maintenance as a service, system maintenance services and other related services and/or training. For purposes of this document, the term software means a collection of one or more programs, databases or microprograms fixed in any tangible medium of expression that comprises a sequence of instructions (source code) to carry out a process in, or convertible into, a form executable by an electronic computer (object code). Software maintenance as a service creates, designs, implements, and/or integrates customized or configured changes to software that solve one or more problems and is not included with the price of the software. Software maintenance as a service includes person-to-person communications regardless of the medium used to communicate: telephone support, on-line technical support, customized support, and/or technical expertise which are deliverable-based and charged in arrears. System maintenance services include system maintenance services for software maintenance associated with proprietary hardware systems It can also include software support associated with middleware, proprietary application programming interface (API) specific to one or more devices within a particular manufacturer's product range or similar types of software maintenance as deemed appropriate by the ESI Team. The ACT fees shall be remitted and distributed in accordance with sections 3 and 4 of this document.

There is no ACT Fee charged for the renewal of software maintenance as a product.

For the purposes of this document, the term renewal means the continuation of software maintenance in the subsequent coverage periods following the initial maintenance period. Software maintenance as a product may be referred to by other terms, such as software assurance, or software support. The term software maintenance includes any service provided in support of Commercial Off the Shelf (COTS) software for a defined period of time by a software publisher or reseller to provide software patches, bug fixes, new releases, product upgrades, etc., and any related support services to ensure the proper functioning of a software product. For some vendors, software maintenance might also include other no charge support that is included in the purchase price of the product in the commercial marketplace. No charge support includes items such as user blogs, discussion forums, on-line help libraries and FAQs (Frequently Asked Questions), hosted chat rooms, and limited telephone and email support (includes tiers 1,2,& 3 support) and/or web-based general technical support for users self diagnostics. Software maintenance for the purposes of this document does NOT include the creation, design, implementation, configuration, integration, etc. of a software package. These examples are considered software maintenance as a service.2. Questions should be directed to the following:
