2. Other non-security markings such as "Limited Official Use" and "Official Use Only" are used by non-DOD User Agencies for the same type of information and should be safeguarded and handled in accordance with instructions received from such agencies.

3. Use of the above markings does not mean that the information cannot be released to the public, only that it must be reviewed by the Government prior to its release, to determine whether a significant and legitimate Government purpose is served by withholding the information portions of it.

4. IDENTIFICATION MARKINGS:

a. An unclassified document containing FOUO information will be marked "For Official Use Only" at the bottom of the front cover (if any), on the first page, on each page containing FOUO information, on the back page, and on the outside of the back cover (if any). No portion marking will be shown.

During non-working hours, the information shall be stored to preclude unauthorized access. Filing such material with other unclassified records in unlocked files or desks is adequate when internal building security is provided during non-working hours. When such internal security control is not exercised, locked buildings or rooms will provide adequate after hours protection or the material can be stored in locked receptacles such as file cabinets, desks or bookcases.

7. TRANSMISSION: "FOR OFFICIAL USE ONLY" information may be sent via first-class mail or parcel post. Bulky shipments may be sent fourth-class mail.
